

NYELETI NEWSFLASH

Sundran Naicker (left), head of the Road division, welcomes Rajan Padavattan

Vishnu Ulassi (left) is welcomed by his colleague, Vishal Krishandutt.

Nyeleti Consulting is pleased to welcome two new senior staff members to the team. Rajandran Padavattan and Vishnu Ulassi joined Nyeleti on 1 March 2015. They both have vast experience in the industry and will surely be an asset to the company. As Technical Directors, they will be jointly responsible for the quality of the professional services rendered by Nyeleti. Their good track record will crystalize the good professional relationships with existing clients and will also assist in fostering confidence with prospective clients.

Rajandran is based at the head office in Tshwane and has more than twenty years of industry experience. He specialises in pavement and materials, construction, project management and dispute resolution. Major contracts he worked on previously include:

- The South African National Roads Agency (SOC) Limited – SANRAL,
- BKS (Pty) Ltd now AECOM,
- Gauteng Provincial Government: Department of Transport, Roads and Public Works – Gautrans,
- National Department of Transport

Vishnu took up the position as Technical Director in the Kwazulu-Natal office and has twenty nine years of experience in the industry. He rendered professional services in civil and structural projects for the following clients:

- Petro-chemical industry - Engen Refinery,
- National Government department: National Department of Public Works,
- Parastatals - SA National Roads Agency,
- Municipalities - eThekweni
