

# NYELETI NEWSFLASH

Nyeleti is taking the principles of Excellence a step further as we approach the end of 2017!

## PROUDLY NYELETI

Nyeleti's successes highlight how the company adds value to engineering projects!

The project, Building 50 H-EMS Roof Lift, did it again – Nyeleti was the winner of the SAICE Structural Division Project of the Year Award for the BMW Factory Roof Lift Project! Congratulations to Stephen Humphries and the Structural Team.

At the same function, Stephen Humphries received the Engineer of the Year Award from SAICE. A great achievement indeed, well done Stephen you make us proud!

We are proud of our staff and would like to thank each staff member for their dedication and commitment. The staff is Nyeleti's greatest asset - without its staff, the company is nothing!
