

NYELETI NEWSFLASH

Another Nyeleti outstanding performance!

Nyeleti wins prestigious steel award!

Nyeleti Consulting, Teichmann Structures and BMW South Africa, achieved victory at The Steel Awards recently. The project, Building 50 H-EMS Roof Lift, received the 1st prize in the Innovation category and was also announced as the Overall Winner! Nyeleti did the design of the new roof, the client is BMW South Africa and the main contractor was Teichmann Structures. According to the Southern African Institute of Steel Construction (SAISC), there are several factors that are considered when judging.

Congratulations to Stephen Humphries and his team, keep on shining!
